

Entrance to Parking

- ★ Casa Jazmín Carabeo - Calle Carabeo 43
- ★ Our Office - Calle Carabeo 29

Route from the highway exit 292 (point A) coming from Malaga to the entrance of the parking (point B).
 On the way, at each roundabout inside Nerja town, you can see a small sign directing to PARADOR – which is a hotel in our area. So you can follow these signs. At the end you come to a narrow and long street leading down towards the sea. Here the PARADOR hotel is on the left side, but you continue the street until its end and then right. The car park is already signed as well.

The name of the car park: Balcon de Europa – Carabeo

Address: Calle Prolongación Hernando de Carabeo (36°44'51.1"N - 3°52'22.1"W)

At the very end of the parking on the left side, there is a narrow passage leading to the street Calle Carabeo. Our office is very close to this passage, at Calle Carabeo 29. According to the appointment, you might find us here, or directly at the house, which is at Calle Carabeo 43.
