

- ★ 'Carabeo Vista Mar' Apartments at Calle Hernando de Carabeo 60
- ★ Our Office - Calle Carabeo 29

Route from the highway exit 292 (point A) coming from Malaga to the street: Calle Hernando de Carabeo. The street is actually a pedestrian area (point B), but you can continue to house no. 60 with your car, where the entrance to the private parking is located. Here we will meet you, if you come by car or not.

For the way from the highway: At each roundabout inside Nerja town, you can see a small sign directing to PARADOR – which is a hotel in our area. So you can follow these signs. At the end you come to a narrow and long street leading down towards the sea. Here the PARADOR hotel is on the left side, but you continue the street until its end and then right. You are now in Prolangación de Hernando de Carabeo. Take the only street that goes to the left, it leads to Carabeo street.

Our office is a bit further down the street, at Calle Carabeo 29. But do not drive with the car until here, you are only allowed to drive to no. 60, where your apartment is located.
